0602		Applications. 290-2-5-.06(1)(b)	Records Check and Preliminary Records Check Applications. Accompanying any application for a new license for an institution, the applicant shall furnish to the department a records check application for the owner and director and a preliminary records check application for each employee, if applicable as defined in these rules.
0605		Applications. 290-2-5-.06(1)(c)	Separate Licenses or Commissions. A separate license or commission application is required for each geographical location which an institution is proposed to operate even when all of the proposed institutions are owned by the same person or entity.
0606		Applications. 290-2-5-.06(1)(d)	Amended License. If there is to be a change in the name of the institution, change in ownership, changes in the ages of children to be served, or additions or changes in the uses of the buildings that will affect the facility's licensed capacity, an application for an amended license shall be submitted at least thirty (30) days prior to the changes or additions, except in cases of emergencies. In such cases of emergencies, which make it impossible to submit an application within thirty (30) days, the governing body or director shall notify the department by telephone and shall submit an application for the amended license as soon as the governing body or the director becomes aware of the change or addition.
0607		Applications. 290-2-5-.06(1)(e)	Notice of Denial. If the department determines that the applicant does not comply with these rules and determines that the issuance of a temporary or restricted license is not appropriate, the department will provide a written notice of the denial of licensure and the opportunity for a hearing to the applicant.
0608		Applications. 290-2-5-.06(1)(f)	False or Misleading Information. The application for a license including the application for a criminal history background check must be truthfully and fully completed. In the event that the department has reason to believe that any required application has not been completed truthfully, the department may require additional verification of the facts alleged. The department may refuse to issue a license where false statements have been made in connection with the application or any other documents required by the department.

0609		Applications. 290-2-5-.06(1)(g)	The department may deny a license or otherwise restrict a license for any applicant who has had a license denied, revoked, or suspended within one year of the date of the application or who has transferred ownership or governing authority of an agency, facility, institution, or entity subject to regulations by the department within one year of the date of a new application when such transfer was made in order to avert denial, revocation, or suspension of a license.
0610		Applications. 290-2-5-.06(1)(h)	An institution shall not begin operation without departmental approval. Statutory Authority: O.C.G.A. Secs. 49-5-12, 49-5-60.
0700		Inspections and Investigations .290-2-5-.07	The department is authorized and empowered to conduct investigations and inspections of any institution required by these rules to be licensed. The proposed and current licensee and staff shall cooperate with any inspection or investigation by responding truthfully to any legitimate departmental inquiry.
0701		Inspections and Investigations .290-2-5-.07(a)	Initial Inspection. Following receipt and review of a complete application package, the department may conduct an inspection of the institution to assess compliance with these rules.
0702		Inspections and Investigations .290-2-5-.07(b)	Consent to Access. An application for a license or commission to operate an institution or the issuance of a license by the department constitutes consent by the applicant, the proposed holder of the license and the owner of the premises for the department's representative, after displaying picture identification to any institution staff, to enter the premises at any time during operating hours for the purpose of inspecting the facility. This includes both scheduled and unscheduled inspections and includes consent for meaningful access to all staff, parts of the premises, all children present, and all records required by these rules.

1459		Emergency Safety Interventions. 290-2-5-.14(2)(l)	Institutions shall submit a written report to the program's director on the use of any emergency safety intervention immediately after the conclusion of the intervention and shall further notify the child's parents or legal guardians regarding the use of the intervention. A copy of such report shall be maintained in the child's file.
1461		Emergency Safety Interventions. 290-2-5-.14(2)(m)	At least once per quarter, the institution, utilizing a master agency restraint log and the child's case record, shall review the use of all emergency safety interventions for each child and staff member, including the type of intervention used and the length of time of each use, to determine whether there was an appropriate basis for the intervention, whether the use of the emergency safety intervention was warranted, whether any alternatives were considered or employed, the effectiveness of the intervention or alternative, and the need for additional training. Written documentation of all such reviews shall be maintained. Where the institution identifies opportunities for improvement as a result of such reviews or otherwise, the institution shall implement these changes through an effective quality improvement plan.
1464		Emergency Safety Interventions. 290-2-5-.14(2)(n)	No later than January 1, 2007 and ongoing thereafter, all direct care staff who may be involved in the use of emergency safety interventions, shall have evidence of having satisfactorily completed a nationally recognized training program for emergency safety interventions to protect residents and others from injury, which has been approved by the Department and taught by an appropriately certified trainer in such program.
1465		Manual Holds. 290-2-5-.14(2)(o)1.	Emergency safety interventions utilizing manual holds require at least one trained staff member to carry out the hold. Emergency safety interventions utilizing prone restraints require at least two trained staff members to carry out the hold.
