**Do you have a disability and need a reasonable modification or communication assistance to access DFCS's services?**

To request a reasonable modification, communication assistance, or extra help, please complete the form below. You are not required to complete this form or tell us your disability in order to receive reasonable modifications, communication assistance, or extra help.

DFCS provides:

- Reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access;

- Communication assistance for persons with disabilities or their companions with disabilities, such as sign language interpreters, for effective communication.

DFCS is not required to make any modifications that would result in a fundamental alteration in the nature of a service, program or activity or in undue financial and administrative burdens.

DFCS is prohibited from disclosing Personally Identifiable Information (PII) or Protected Health Information (PHI) to unauthorized individuals. Therefore, DFCS will not disclose, discuss or allow access to the person with a disability's PII or PHI without the appropriate authorization.

In situations where a companion or other individual requests a reasonable modification or communication assistance on behalf of a person with a disability, DFCS will contact the applicant/recipient with a disability or authorized representative to verify the request.
