Servant  
Leadership

DHS LMS Mobile  
Application

# Commitment to Servant Leadership

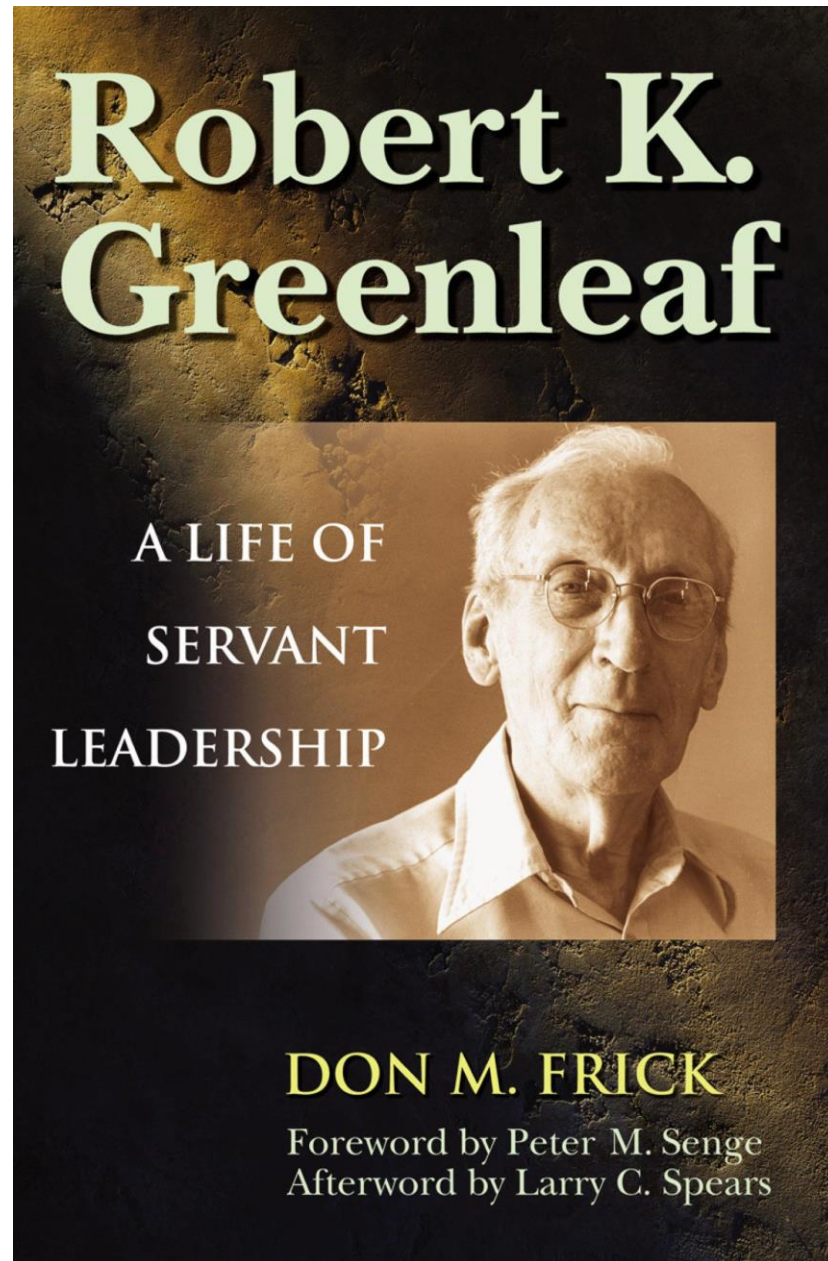

# Servant Leadership

**Servant Leadership**  
Having the desire to serve

Leader first or servant first

Focused on others, rather  
than themselves

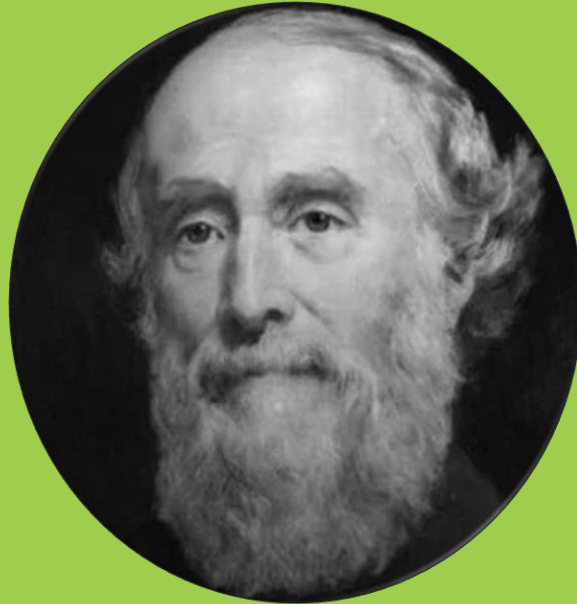

Make life better for others

# Being a Servant Leader

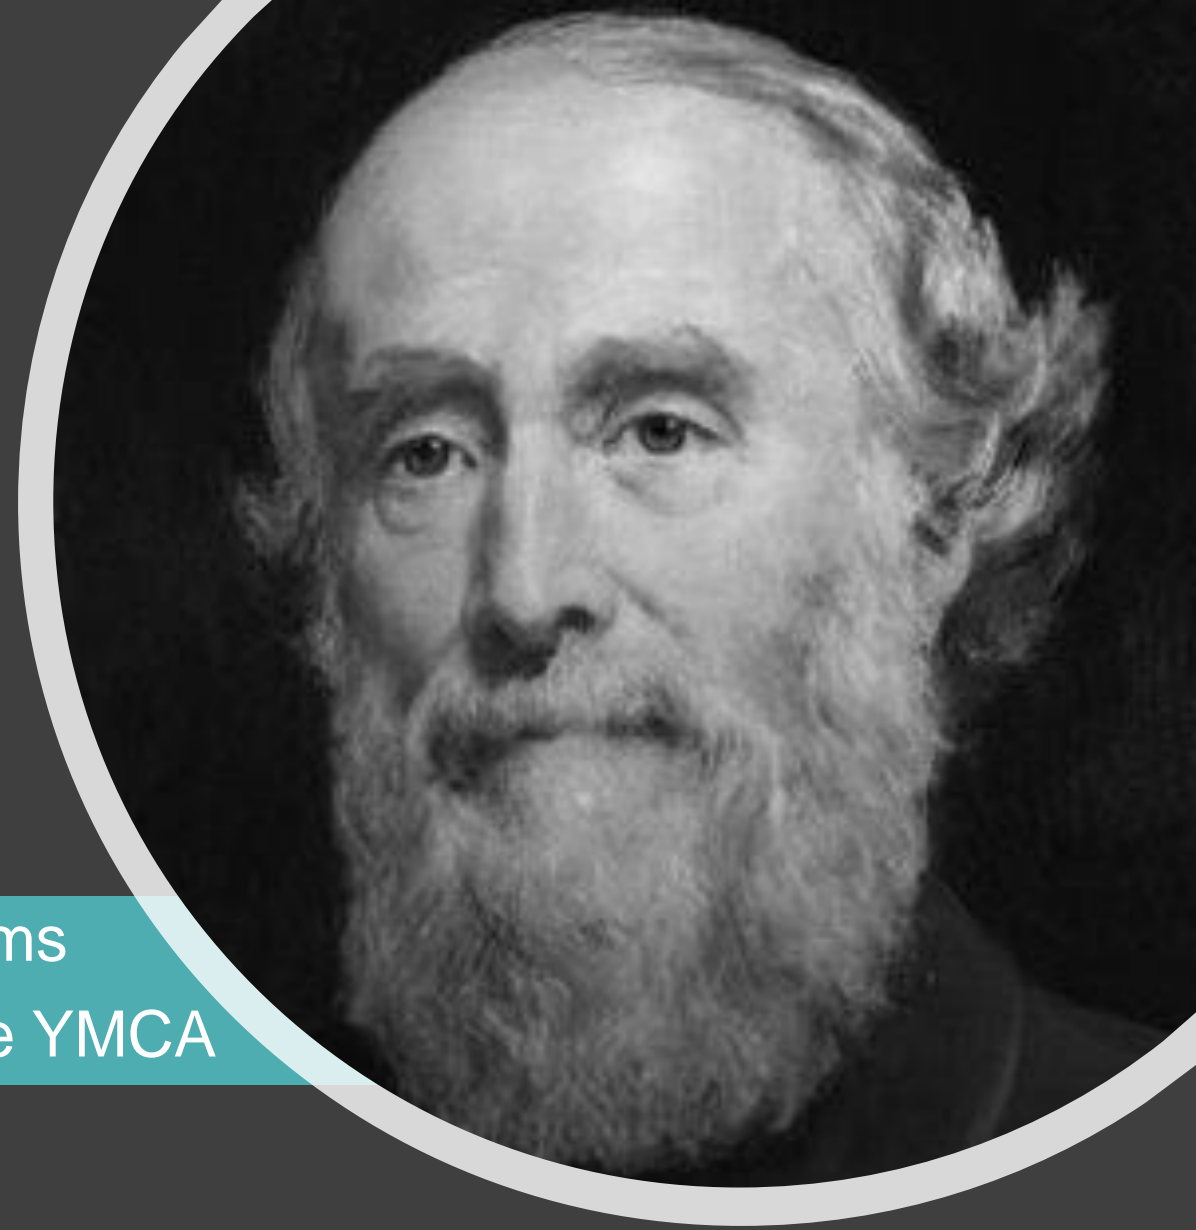

Sharing Their  
Stories

# Example of a Servant Leader

Because of George, over 45 million men, women and children have different alternatives to a hazardous life on the streets

George Williams  
Founder of the YMCA

# Example of a Servant Leader

Eiichi founded and developed more than six hundred industrial companies, creating tens of thousands of jobs

His focus was on maximizing talent and business ethics

Eiichi Shibusawa  
Japanese Industrialist

# Servant Leadership

Mission of servant leadership is to identify and meet the needs of others

Gives meaning and satisfaction of life

# Who are Servant Leaders?

Government officials  
Business executives  
Non-profit leaders  
Coaches  
Friends  
Neighbors

What sets servant leaders apart is the desire to serve

Servant leaders are motivated to make life better for others not just themselves

# Practices of Servant Leaders

# DHS Commitment to Servant Leadership

Partnered with Columbus State University  
Full list of course offerings  
Established a process for signing up

# Join DHS Commitment to Servant Leadership

**Leadership** is not a position or title, its an **action and example**
