A Message to Partners and Stakeholders

Community partners, stakeholders, and advocates play an important role in supporting Medicaid and PeachCare for Kids® members in Georgia. The purpose of this toolkit is to provide resources, including messaging and various digital and printable templates, to partner organizations as the state prepares to return to the pre-pandemic Medicaid redetermination process.

In response to the COVID-19 pandemic, the U.S. Congress passed the Families First Coronavirus Response Act (FFCRA) in March 2020. Under the FFCRA, Georgia Medicaid members have been eligible for continuous coverage during the federal public health emergency (PHE) and will receive redetermination notices when time for their coverage review commences.

When the federal government ends the PHE, Georgia, and all other states, will be required to redetermine eligibility for approximately 2.6 million Medicaid and PeachCare for Kids® members. Every Georgia Medicaid member has a right to continue receiving uninterrupted health benefits, if eligible, however, they must respond to requests for required information in a timely manner to avoid a gap in coverage.

In September 2022, the Georgia Department of Human Services (DHS) and Georgia Department of Community Health (DCH) launched “Stay Informed. Stay Covered.” —a multi-phase public service campaign. This multichannel public service message is designed to reach Georgians where they are, in English and Spanish, through social media, advertising, grassroots efforts, and staycovered.ga.gov, an easy-to-navigate microsite.

Phase 1 is focused on acquiring accurate, updated contact information and an increased preference for e-communications for its Medicaid members in advance of redetermination. Once the PHE expires, Phase 2 will focus on educating members on the ins and outs of the redetermination process. View the full DHS plan for unwinding continuous Medicaid coverage.

This toolkit will be updated as new guidance, information, and resources become available. Please use these resources when communicating with Medicaid and PeachCare for Kids® members in person and online.

To download resources included in this toolkit, visit dhs.georgia.gov/medicaid-unwinding or staycovered.ga.gov for additional information.

Thank you for your support.
Communication Tools & Templates

The following outreach and marketing resources are available for partners to use to encourage Georgia Medicaid members to update their contact information and choose e-communications. Additional resources will be included as they become available.

Downloadable files are available at: dhs.georgia.gov/medicaid-unwinding.

To request permission to co-brand any “Stay Informed. Stay Covered.” materials, please email staycovered@dhs.ga.gov with the piece(s) of collateral you would like to use. Co-brand requests should also include a high-resolution version of your organization’s logo.

Medicaid Member Messaging

Encourage your Medicaid members and partner networks to read and share messages and resources from the Georgia Department of Human Services (DHS) about the redetermination process.

Sample In-Person Messages

The below messages can be used for talking points when speaking to Medicaid members or can be printed and displayed in offices, waiting rooms, etc.

- Every Georgia Medicaid member has a right to continue receiving uninterrupted health benefits, if eligible, however, they must respond to requests for required information in a timely manner to avoid a gap in coverage.
- Visit staycovered.ga.gov to make sure your contact information is up to date, including phone number, address, job or income, and number of people in your household. Go ‘paperless’ and select the email communication option for the fastest alerts about coverage.
- You can also schedule an in-person visit for support at your local Division of Family & Children Services office. To find the location and business hours for your local office, visit: dfcs.georgia.gov/locations.
- If you need help reading or communicating, call 1-877-GA-DHS-GO (1-877-423-4746). Services, including interpreters, are free. If you are deaf, hard of hearing, deaf-blind or have difficulty speaking, you can call the number above by dialing 711 (Georgia Relay).

IMPORTANT NOTE: Please encourage members to use the online option for updating their contact information.
Sample Newsletter/Website/Email Content

Use this content when communicating with Medicaid and PeachCare for Kids® members digitally.

**Headline:** Big changes may be coming to your Medicaid coverage.

**Subhead:** Take action to stay in charge of your coverage!

**Body:**
When the federal government ends the COVID-19 public health emergency, Georgia, and all other states, will be required to check who is still eligible to receive Medicaid or PeachCare for Kids® coverage. This is called a “redetermination process.” During this time, Medicaid and PeachCare for Kids® members may be asked to provide more information or complete certain steps. It is very important to respond to these requests that will be sent in the mail or to your email.

Visit [staycovered.ga.gov](http://staycovered.ga.gov) to update your contact information today to receive important updates, resources, and alerts!

Need help? You can schedule an in-person visit for support at your local Division of Family & Children Services office. To find the location and business hours for your local office, visit: [dfcs.georgia.gov/locations](http://dfcs.georgia.gov/locations).

Logos

Use the following logos in context with the “Stay Informed. Stay Covered.” campaign to help circulate information about Medicaid redetermination and emphasize the importance of updating contact information.

Logo Usage Guidelines

Consistent, proper use of the “Stay Informed. Stay Covered” logo will help maintain brand integrity and communicate a cohesive message to Medicaid members. The logo should be used appropriately and in strict accordance with the usage specifications outlined below. Deviation from these guidelines is not allowed.

The logo shown below (horizontal) is the preferred primary logo format. Use the horizontal version whenever possible. Use the vertical version when space is plentiful and/or the layout requires a center-aligned logo.

To maintain maximum legibility and exposure, it is important that an area of clearance from other elements be established on all sides of the logo. This area is equal to the height of the type (both lines).

For proper legibility, the logo should never be used at a size smaller than .75 inches or 54 pixels wide. Use the DHS logo at any size smaller than this and the logo will not be legible. Download logos here.

Microsite

The “Stay Informed. Stay Covered.” microsite is an informational site to answer questions about Medicaid redetermination and encourage current members to update their information at gateway.ga.gov. We are asking partners, advocates, providers, and friends to help spread the word so members stay informed and covered. You can direct Medicaid members to the microsite and remind them to update their contact information, choose e-communications and sign up for text alerts.

QR Codes

These QR codes can be added to various collateral given to Medicaid members. When scanned with a smart phone, the QR codes will direct users to staycovered.ga.gov for more information and instructions on navigating Gateway.

Frequently Asked Questions

Below are frequently asked questions (FAQs) in both English and Spanish. These FAQs can also be found at staycovered.ga.gov and siemprecubierto.ga.gov.

Medicaid, PeachCare for Kids® and Redetermination

What is Medicaid?
Medicaid is a program that provides health care services to individuals who meet the requirements for income, resources, and citizenship. Coverage categories include those for low-income families with children under age 19 and adults who are age 65 or over, blind, or disabled.

Who is eligible for Medicaid?
Basic requirements to determine eligibility under any Aged Blind Disabled (ABD) Medicaid program include:

- Aged 65 or older, blind, or disabled
- Application for other benefits
- Citizenship/Qualified Alien status
- Valid social security number
- Residency
- Assignment of medical benefits to the Division of Medical Assistance (DMA)

Basic requirements to determine eligibility under a Family Medicaid program include:

- Age
- Application for other benefits
- Citizenship/Qualified Alien status
- Cooperation with Child Support Service (CSS)
- Valid social security number
- Residency
- Assignment of medical benefits to Division of Medical Assistance (DMA)
- Living with a Specified Relative (For Low Income Medicaid (LIM) and Newborn only)
- Cooperation with the Office of Child Support Services is a requirement for receiving certain types of Medicaid

Visit the Georgia Department of Human Services website for more information. To find out if you meet the requirements, create an account at gateway.ga.gov.
Is Medicaid ending?
No. Before the COVID-19 pandemic, Medicaid member eligibility had to be redetermined each year. During the pandemic, the federal government declared a federal public health emergency (PHE). This emergency and changes in federal law allowed all Medicaid members to remain enrolled without checking their eligibility for benefits. The federal COVID-19 PHE is ending soon, which means that eligibility will once again need to be redetermined for all Medicaid members.

When will the federal government end the COVID-19 public health emergency?
In July 2022, the federal government officially renewed the public health emergency declaration, extending it through October 13, 2022. If the federal government does not renew the federal public health emergency on or before October 13, 2022, Georgia will begin the redetermination process starting in November to check who is still eligible to receive Medicaid coverage. It is important that you update your contact information on gateway.ga.gov so you can receive updates and communications about your coverage no matter when the federal COVID-19 public health emergency ends.

What is Medicaid redetermination?
Redetermination or renewal is the process that Georgia must follow to make sure all Medicaid members are still eligible for coverage. It involves collecting and verifying information, including income and contact details, as well as other requested information or documents related to determining eligibility based on your case.

What happens if I am no longer eligible for Medicaid?
If you are no longer eligible for Medicaid, you will be connected with other healthcare options through the federal marketplace. The first step is to update your contact information at gateway.ga.gov so that you can receive this important information.

What is the deadline to update my contact information?
It is important to update your contact information at gateway.ga.gov as soon as possible. When the federal government ends the federal COVID-19 public health emergency, every state, including Georgia, will be required to check who is still eligible to receive Medicaid coverage. In July 2022, the federal government officially
renewed the federal public health emergency declaration, extending it through October 13, 2022. If the federal government does not renew the federal public health emergency on or before October 13, 2022, Georgia will begin the redetermination process starting in November to check who is still eligible to receive Medicaid coverage. It is important that you update your contact information right away so that you can receive updates and communications about your coverage no matter when the federal public health emergency ends.

**How do I apply to keep my Medicaid coverage?**

The first step is to update your contact information at [gateway.ga.gov](http://gateway.ga.gov). You will then receive instructions to re-confirm your eligibility so we can determine whether or not you are still eligible.

**My children have health insurance through PeachCare for Kids®. Does this redetermination process affect them?**

Yes. Anyone covered by Medicaid, including PeachCare for Kids®, will have to resume regular renewals which includes redeterminations for eligibility.

How do I know if I have entered my information correctly?

When you have successfully created a profile or updated your information at gateway.ga.gov, you will receive a confirmation “T number” (tracking number) in your Georgia Gateway account. Remember to write it down for later use. If needed, you can retrieve your “T number” from the “Manage My Account” page on gateway.ga.gov.

I filled out a paper application for Medicaid and have never used the website. Should I still create an account?

Yes. Creating an account at gateway.ga.gov is the easiest and fastest way for Medicaid representatives to contact you about your benefits. Instructions for how to link your account to your current benefits are here.
Ayuda y Preguntas Frecuentes

Medicaid, PeachCare for Kids® y Redeterminación

¿Qué es Medicaid?

Medicaid es un programa que provee servicios de salud a individuos que cumplen con los requisitos de ingresos, recursos y ciudadanía. Las categorías de cobertura incluyen a aquellas familias de bajos ingresos con hijos menores de 19 años y adultos que tengan 65 años o más, o sean no videntes o discapacitados.

¿Quién es elegible para Medicaid?

Los requisitos básicos para determinar la elegibilidad bajo cualquier programa Edad Ceguera Discapacidad (ABD, por sus siglas en inglés) de Medicaid, incluyen:

- Edad (65 años o más), no vidente o discapacitado
- Solicitud de otros beneficios
- Ciudadanía / Estatus Extranjero que Califique
- Número de seguro social válido
- Domicilio
- Asignación de beneficios médicos a la División de Asistencia Médica (DMA, por sus siglas en inglés)

Los requisitos básicos para determinar la elegibilidad bajo un programa Medicaid Familiar, incluyen:

- Edad
- Solicitud de otros beneficios
- Ciudadanía / Estatus Extranjero que Califique
- Cooperación con el Servicio de Ayuda a Niños (CSS, por sus siglas en inglés)
- Número de seguro social válido
- Domicilio
- Asignación de beneficios médicos a la División de Asistencia Médica (DMA, por sus siglas en inglés)
- Vivir con un Pariente Específico (solo para Medicaid de Bajos Ingresos (LIM) y Recién Nacidos)
- La cooperación con la Oficina de Servicios de Ayuda a Niños es un requisito para recibir ciertos tipos de Medicaid
Visita el sitio web del Departamento de Servicios Humanos de Georgia para mayor información. Para averiguar si cumples con los requisitos, crea una cuenta en gateway.ga.gov.

¿Medicaid está terminando?
No. Antes de la pandemia del COVID los afiliados a Medicaid tenían que reconfirmar su elegibilidad cada año. Durante la pandemia, el gobierno federal declaró una emergencia de salud pública. Esta emergencia y cambios en la ley federal permitieron a todos los afiliados a Medicaid permanecer inscritos sin la necesidad de confirmar su elegibilidad para recibir beneficios. La emergencia de salud pública federal del COVID terminará pronto, lo que significa que los afiliados a Medicaid deberán reconfirmar su elegibilidad nuevamente.

¿Cuándo terminará el gobierno federal la emergencia de salud pública federal del COVID?
En julio de 2022, el gobierno federal renovó oficialmente la declaración de la emergencia de salud pública, extendiéndola hasta el 13 de octubre de 2022. Si el gobierno federal no renueva la emergencia de salud pública el 13 de octubre de 2022, Georgia iniciará el proceso de redeterminación a partir de noviembre para confirmar quiénes son aún elegibles para recibir cobertura de Medicaid. Es importante que actualices tu información de contacto en gateway.ga.gov para que puedas recibir actualizaciones y comunicaciones acerca de tu cobertura, sin importar cuándo termine la emergencia de salud pública federal.

¿Qué es la redeterminación de Medicaid?
Redeterminación o renovación es el proceso que Georgia deberá seguir para asegurarse de que todos los afiliados a Medicaid aún sean elegibles para recibir cobertura. Conlleva la recolección y verificación de información, incluyendo ingresos y detalles de contacto, así como otra información solicitada o documentos relacionados con la determinación de la elegibilidad basado en tu caso.

¿Qué sucede si ya no soy elegible para Medicaid?
Si ya no eres elegible para Medicaid, serás conectado con otras opciones de salud a través del mercado federal. El primer paso es actualizar tu información de contacto en gateway.ga.gov para que puedas recibir esta importante información.
¿Cuál es la fecha límite para actualizar mi información de contacto?

Es importante que actualices tu información de contacto en gateway.ga.gov lo antes posible. Cuando el gobierno federal ponga fin a la emergencia de salud pública del COVID, todos los estados, incluido Georgia, deberán confirmar quiénes son aún elegibles para recibir cobertura de Medicaid. En julio de 2022, el gobierno federal renovó oficialmente la declaración de la emergencia de salud pública extendiéndola hasta el 13 de octubre de 2022. Si el gobierno federal no renueva la emergencia de salud pública el 13 de octubre de 2022 o antes, Georgia iniciará el proceso de redeterminación a partir de noviembre para confirmar quiénes son aún elegibles para recibir cobertura de Medicaid. Es importante que actualices tu información de contacto de inmediato para que puedas recibir actualizaciones y comunicaciones acerca de tu cobertura, sin importar cuándo termine la emergencia de salud pública federal.

¿Cómo hago la solicitud para conservar mi cobertura Medicaid?

El primer paso es actualizar tu información de contacto en gateway.ga.gov. Luego recibirás instrucciones para reconfirmar tu elegibilidad, de manera que podamos determinar si aún eres elegible.

Mis hijos tienen seguro de salud a través de PeachCare for Kids®. ¿Les afecta a ellos este proceso de redeterminación?

Sí. Toda persona cubierta por Medicaid, incluyendo PeachCare for Kids®, deberá efectuar renovaciones regulares, las que incluyen redeterminaciones de elegibilidad.
