

GEORGIA  
CHILDREN'S  
CABINET

# ANNUAL REPORT

FISCAL YEAR 2020

# GEORGIA CHILDREN'S CABINET

## PURPOSE

"The Georgia Children's Cabinet is charged with supporting a sustainable and comprehensive system of education and care to best serve the children and families in each region of our state."

—Governor Brian Kemp, Governor's Executive Order, 12 June, 2019

## APPROACH

Members of the Georgia Children's Cabinet will take a comprehensive, systematic, and whole-family approach to ensure children are and feel safe, are healthy, are learning, and are prepared for adulthood.

Supporting a sustainable and comprehensive system to serve Georgia's children and families.

# TIMELINE OF ACHIEVEMENTS

1

## JUNE 18

Initial full Georgia Children's Cabinet meeting; established the schedule for the full and executive cabinet meetings throughout the year.

## SEPTEMBER 6

The full Cabinet convened for a strategic planning meeting facilitated by the Carl Vinson Institute of Government. Members developed a four-year strategic plan and established the purpose, mission, and strategic priority goal areas for the Georgia Children's Cabinet. The Cabinet also identified possible strategies and activities to help accomplish the priority goal areas.

2

STRATEGIC  
PLANNING

## NOVEMBER 5

The executive Cabinet amended the strategic vision document based on member feedback. Action items included:

- discussing subcommittees
- scheduling a presentation about the United Way's 211 system
- coordinating speakers around the priority goal areas
- finalizing the strategic vision document

3

RESEARCH

## JANUARY 7

The Cabinet reviewed the strategic vision document and, with minor changes to the purpose statement, formally approved it. Action items included:

- updating the 211 resource list for agencies
- developing an inventory of conferences and trainings to encourage cross-agency presentations and attendance
- developing an inventory of interagency groups that provide services for children and families related to the Cabinet priority goal areas

4

COLLABORATIVE  
and  
TRAINING  
INVENTORIES

## MARCH 3

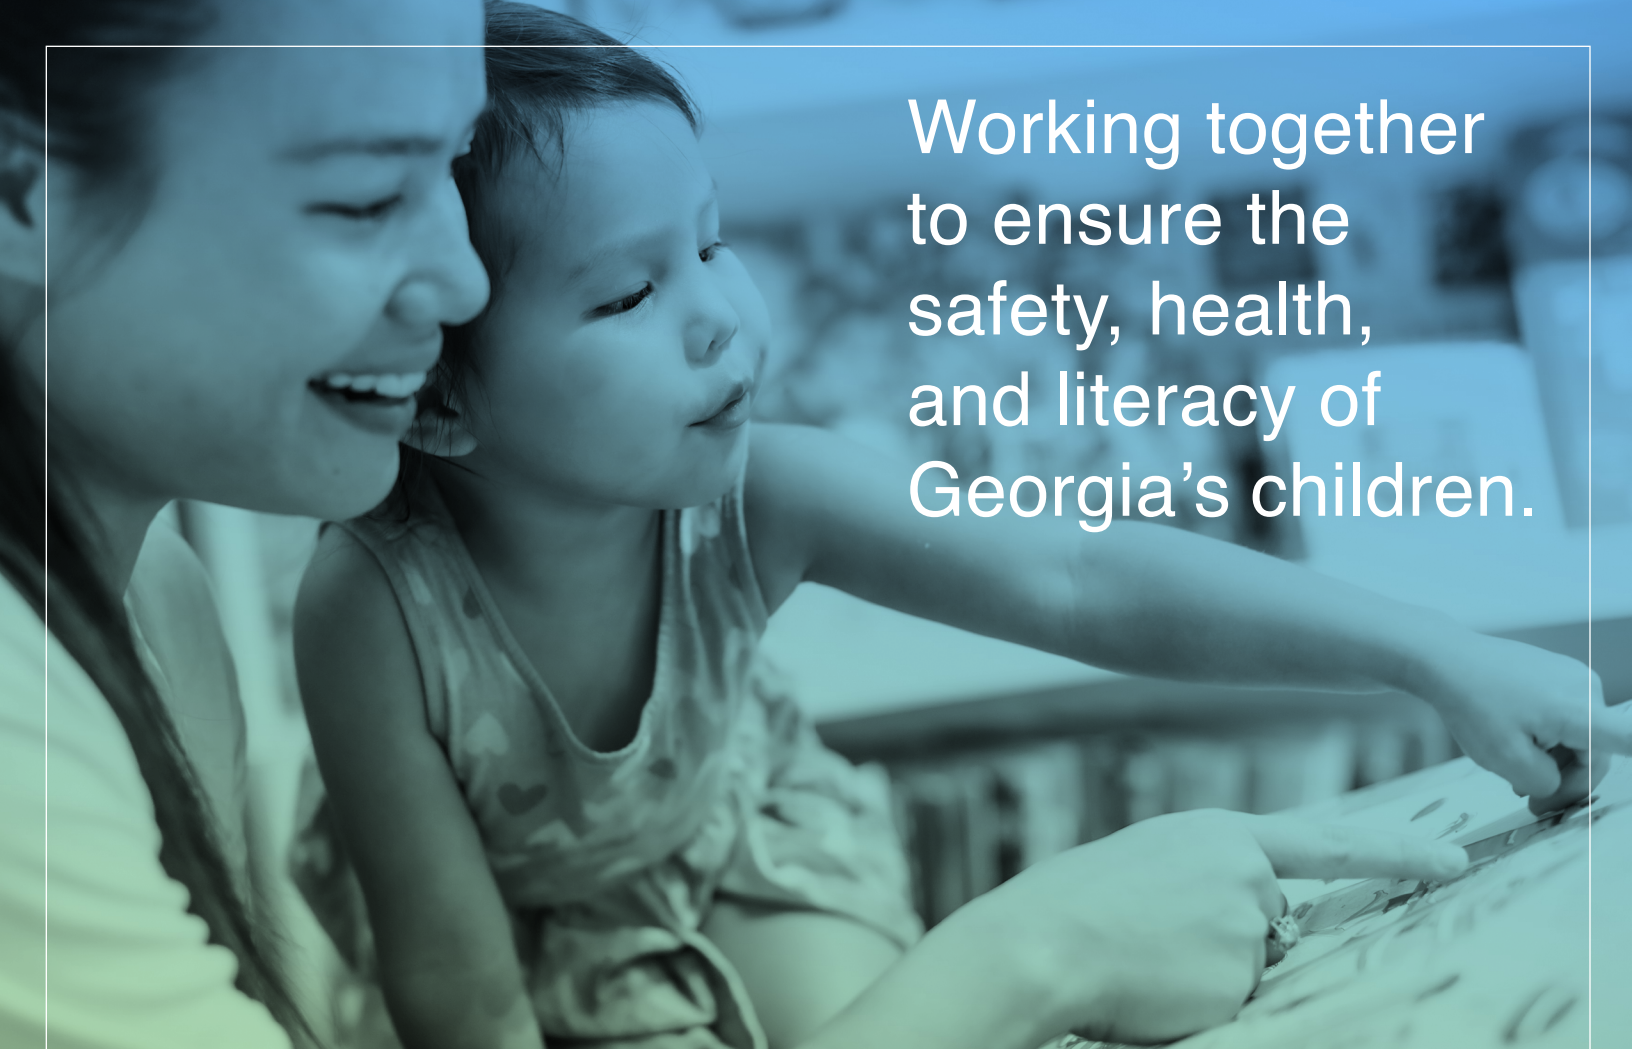

The executive Cabinet proposed and approved the development of a two-generation event that would bring experts to the state to work with agency leaders and front-line staff to build awareness about the two-generation approach. Action items included:

- approving and distributing the interagency and conference inventory instruments to Cabinet members
- continuing discussion of key indicators at the next Cabinet meeting
- developing a Georgia Children's Cabinet website to share research and documents with Cabinet members

5

TWO-GENERATION  
APPROACH

Working together  
to ensure the  
safety, health,  
and literacy of  
Georgia's children.
