What Do I Need to Do?

You may access the Georgia Gateway Customer Portal to view and manage your benefits using your COMPASS user ID and password. If you do not have a COMPASS account, you may create one by following the instructions on the Georgia Gateway Customer Portal homepage. If you are currently receiving public assistance in Georgia, your benefit information will be automatically moved to Georgia Gateway. However, if you are an existing PeachCare for Kids (PCK)® or Planning for Healthy Babies (P4HB) customer, your Family Account Number will change as part of the transition.

Beginning February 6, 2017, current PCK and P4HB customers may obtain their new Family Account Number, known as your Case Number in Georgia Gateway, by accessing the Georgia Gateway Customer Portal or by calling 1-877-423-4746 and speaking to a customer service representative.

Access Georgia Gateway by:

- Visiting www.gateway.ga.gov wherever you can easily access a computer, or in-person at a local county office using the self-service computer.
- Working with a registered Community and Medical Assistance Partner who can provide assistance. Call 1-877-423-4746 to find a partner near you.
