Job Search Tips

Source: US Department of Labor

Be positive. Most of all, don't feel ashamed or guilty. If you've lost your job, you're not alone.

Make a plan. A successful job search requires planning and time. When you've been laid off, your first need is often to earn money. Find out about any Unemployment Benefits you may qualify for, and learn about More Benefits and Assistance. You may also think about temporary work as you keep searching for a long-term position.
