Interview Tips

Be Informed

Find out what you can about a potential employer from your personnel consultant before you go to an interview. Your library reference section is an excellent place to find additional information.

Practice Makes Perfect

Spend some time before your interview reviewing possible questions in your mind. You will be more confident of your answers.

Rest Up

Be well rested and comfortable before you go to an interview. A good breakfast or lunch will help. Don't have any alcoholic beverages before your interview.

Dress for Success

For men, a dark suit, light shirt, dark tie, socks and shoes.

For women, a business suit or dark skirt, light blouse and dark jacket, medium heels and skin tone stockings.

For everyone, be conservative, dress for the interview, not the job. Dress to show your potential. Remember, you only get one chance to make a good first impression.

Be Early

Fifteen minutes is good. Be sure to get good directions or to take a drive the night before to where your interview will take place.

Be On Your Best Behavior

The receptionist that you meet may be asked about you later. Be courteous to everyone you meet.
