### *Interview Tips*

#### *Be Informed*

*Find out what you can about a potential employer from your personnel consultant before you go to an interview. Your library reference section is an excellent place to find additional information.*

#### *Practice Makes Perfect*

*Spend some time before your interview reviewing possible questions in your mind. You will be more confident of your answers.*

#### *Rest Up*

*Be well rested and comfortable before you go to an interview. A good breakfast or lunch will help. Don't have any alcoholic beverages before your interview.*

#### *Dress for Success*

*For men, a dark suit, light shirt, dark tie, socks and shoes.*

*For women, a business suit or dark skirt, light blouse and dark jacket, medium heels and skin tone stockings.*

*For everyone, be conservative, dress for the interview, not the job. Dress to show your potential. Remember, you only get one chance to make a good first impression.*
